

BLUESTAR SILICONES

MF775E CR COMPLIANCE TO LU 1-085

London Underground specification number 1-085, issue A3, dated March 2011, entitled "Fire safety performance of materials" states in Section 3.2 that:

"Rolling stock shall comply with BS6853:1999 Category 1a".

Bluestar Silicones has test reports that support the classification of MF775E CR as category 1a against tables 7 & 8 of the above specification. These reports are available in electronic (pdf) format upon request.
